

815.3 Mandatory Rest for Horses:

815.3.1 After competing in a CEI events, a horse must be given a mandatory minimum rest period, as defined, before it is again eligible to participate in a FEI competition:

Distance completed	0 - 40 km	6 days (retirement only)
	0 - 80 km	13 days
	Over 80 km	20 days

~~0 - 80 km 13 days rest
81 and above 20 days rest~~

~~815.3.2 If a horse is eliminated for metabolic reasons which require immediate invasive treatment at any CEI event, it must be given a mandatory minimum rest of 60 days before it is again eligible to participate in a CEI event.~~

~~Invasive treatment is defined as:~~

~~Any treatment of a horse which involves the puncture or incision of the skin or insertion of any instrument or foreign material into the body is considered invasive. Exceptions to the rule would be the administration of oral electrolytes or acupuncture. Any metabolic condition diagnosed in a horse that has Failed to Qualify that left untreated would compromise or threaten the welfare of the horse would be considered a condition requiring invasive treatment.~~

815.3.3 If a horse ~~is eliminated~~ has Failed to Qualify for metabolic reasons which require immediate invasive treatment at any ~~2 consecutive~~ CEI events ~~or twice within any 3 month period~~, it must be given a mandatory rest period of ~~90 days~~ 60 days before it is again eligible to participate in a CEI event.

~~815.3.4 The FEI Technical Committee may decide to create a supplementary schedule for additional rest requirements for horses who suffer consistent metabolic elimination problems over time in consultation with the FEI Veterinary Committee~~

~~If a horse has Failed to Qualify for metabolic reasons which require invasive treatment at any 2 consecutive CEI events or twice within any 3 month period, it must be given a mandatory rest period of 90 days before it is again eligible to participate in a CEI event.~~

815.3.5 It is the responsibility of the FVD and the Treatment Veterinarian to review, on a case by case basis, the treated horses at the end of an event and classify each case as invasive treatment incurring mandatory rest or Authorised Treatment.

815.3.6 The FEI Technical Committee may decide to create a supplementary schedule.
